

PROGRAM ELIGIBILITY CRITERIA

A. ESSENTIAL CRITERIA

Individual:

1. Has been diagnosed with a severe and persistent mental illness.
2. Is a resident of Ottawa
3. Is 16 years of age or over. (Youth may have special agreements with CAS.)
4. Is NOT older than 64 years old
5. Has had frequent breakdowns in community living (e.g., has been hospitalized).
6. Has or may suffer a breakdown in community living because of functional limitations.
7. Has one of the following **Service Needs**:
 - Requires assistance to use resources appropriately. Client may be overusing or under using services so that needs are not being met.
 - Requires help to access services.
 - Assistance/support to accept needed services.
8. Has one or more of the following **Support Needs**:
 - Is isolated without social or family support
 - Lacks professional support
 - Family support is problematic, in jeopardy, or absent
 - Functional impairment in more than one skill area: daily living, social, educational, vocational

Ministry of Health Definition

- **Diagnosis** such as schizophrenia, major affective disorders, personality disorders, paranoid and other psychoses should be present **or** person demonstrates a pattern of behaviours that indicate a severe and persistent mental illness.
- **Disability** refers to the fact that the disorder interferes with the person's capacity to organize and complete the activities of daily living.
- **Duration** may be based on a **severe** first episode or a chronic nature of the illness

B. DESIRABLE (These indicators are not essential but reinforce the need for case management.)

- Acknowledgement by client of need for support
- Acknowledgement by client of need to develop or maintain a network
- Is homeless or at risk of becoming homeless
- Has other complex needs.

C. ADDITIONAL CRITERIA (These indicators may also reinforce the need for support services.)

- Loss of major supports (i.e., family) anticipated.
- Service is needed to maintain recent rehabilitation gains (i.e., from supportive housing or hospital services).
- Individual has multiple problems which require coordination, bridging across and between service systems.
- Presence of concurrent disorder
- Presence of a dual diagnosis

Consent to the collection, discussion and disclosure of Personal Health Information for the purpose of receiving community mental health support services

I _____ (name, date of birth), consent for the Canadian Mental Health Association, Ottawa Branch, to collect, discuss with and disclose my personal health information to the Mental Health Community Support Services (MHCSS) listed below and to the Assertive Community Treatment (ACTT) program that I have checked off for the purpose of determining who might provide me with community mental health support.

✓	MHCSS	✓	
	Canadian Mental Health Association		Ottawa Salus Corporation
	Sandy Hill Community Health Centre		Upstream Ottawa
	Montfort Renaissance		The Royal Mental Health – Care & Research
	Pinecrest-Queensway Health and Community Services		Somerset West Community Health Centre
	ACTT Program		

I also hereby authorize _____ (name of person or agency) to disclose to the Canadian Mental Health Association, Ottawa Branch, my relevant personal health information.

I consent to receive community mental health support from the Canadian Mental Health Association, Ottawa Branch in the event it is considered to be an appropriate and available service provider.

I am aware that I can refuse to give my consent and not receive services. I am also aware that I can change or cancel my consent at any time.

I further authorize upon subsequent verbal consent for the Canadian Mental Health Association to discuss my situation and disclose my personal health information to the extent that it is necessary with individuals and organizations for the purpose of advocating on my behalf prior to being accepted into an MHCSS or ACT program.

Date: _____

Signature: _____

Witness: _____

Witness (a second witness is required to verify verbal consent is given): _____
